

Specialized Education Personnel K-12
Endorsement as Supervisor of Curriculum and Instruction
[NAC 391.175](#)

To receive an endorsement as a supervisor of curriculum and instruction, a person must:

1. Hold a valid teaching license; and
2. Have three (3) years of verified experience as a teacher in the field of supervisory assignment; and
3. Hold a master's degree in a program which included advanced courses in:
 - A. Supervisory assignment and
 - B. Professional education.

A supervisor in a special field must also have a valid endorsement which is appropriate to that field.
